SEWING MACHINES REBUILT
We do not mean to weary you by reiteration, but simply impress on your mind the fact that we make old machines good as new. We examine them without charge. Stinson, 153 W. Main St.

No doubt you have heard the old saying, "There is no excellence without great labor."

A good store is not built by accident; neither do good furniture values grow out of obscure happiness. It is all a matter of labor and experience. We ask your consideration on the basis of value.

NOTICE OF TRUSTEE'S SALE

Of Valuable Real Estate On Hewes Street, Near Center of Clarksburg.

By virtue of the authority vested in me by a certain deed of trust on the 1st day of April, 1890, executed to me by Rosalie E. Hewes, and of record in the office of the clerk of the county court of Harrison county, in Trust Deed Book No. 28, at page 344, and made to secure to Cora M. Peck the payment of a debt of four thousand dollars fully described in said deed of trust, I will, on the 25th day of May, 1912,

at 1 o'clock p. m., at the front door of the Court House of Harrison county, West Virginia, offer for sale at public auction, the following described real estate, conveyed to me by said deed of trust, situate on the north side of Hewes street, in the city of Clarksburg, in said county of Harrison, and bounded and described more particularly as follows: Bounded on the North by a lot conveyed by said Rosalie E. Hewes to the Clarksburg Realty Company, on the East by lot owned by said Clarksburg Realty Company and lot of the Northwestern Academy or Clarksburg High School, on the South by Hewes street, and on the West by lot formerly owned by W. J. Deison. The lot to be sold has a frontage of approximately one hundred and eight (108) feet on Hewes street and extends back threefeet across the old right of way of the West Virginia Short Line Railroad, but said sale will be made subject to any right that said railroad company may now have in said right of way.

Terms of Sale:—Sufficient cash on the day of sale to pay the costs of sale and said debt, with its accrued interest, and the residue in one year, with interest from day of sale, for which deferred payment a vendor's lien will be retained in the deed for said lot.

Given under my hand this 25th day of April, 1912.

When you read of teeth without plates, which is misleading to many people, it means bridge work and can only be placed in the mouth if you have teeth enough to support the work. In regard to plate work, plates of Gold and Platinum are not used to any extent in the present day, but the latest is the cast alum, the lightest plate made and one that will readily conform to the terms changes in the mouth, easily kept clean, will not break and will never cause sore mouth, a plate we do recommend to our patrons. We make a specialty of this plate and in every case it delights the person wearing it. This office is here to stay and we give you the benefit of 14 years' experience.
